

SD 4-H Rodeo Lay Board

January 7, 2017

Ft. Pierre, SD

Roger Theobald called the meeting to order.

John Keimig was at the meeting to explain more details of Title IX. He gave a rundown of SD 4-H program in general. Their biggest concern is with the wording on the entry forms and in the rule book as to sex designation. They are suggesting that all rodeos have a basic template for entry forms using the Division 1, 2, 3 & 4 rather than the previous Jr. Girls, Jr. Boys, Sr. Girls and Sr. Boys. He stated that SDSU would like to do away with the wording of Girl and Boy.

John stated that he would help to prepare new wording for the rule book and a template for all rodeos to use for entry forms. These could be posted at the 2017 State 4-H Finals rodeo and propose these changes at the Fall 2017 annual meeting.

Don Bergeson made a motion to move toward change wording on entry forms to be Divisions rather than Jr/Sr/Boy/Girl distinction. The motion died due to a lack of a second.

Election of 2017 Lay Board Officers was not completed until a director at large is found.

Next meeting date was not set at this time.

Shelly Cowan made motion to adjourn, Pauline Witte second. Motion carried.

Respectively submitted,
Kathy Monnens, Lay Board Secretary
