COVID WAIVER

- On our entry form we are going to state "We are HIGHLY ENCOURAGING only immediate

family members to attend the rodeo with each contestant”

- We will not be having Jr Jr events like we normally do to help limit the number of contestants.
- We are going to recommend masks to be worn in the arena zone unless standards relax by the even date. Members can pull down masks while performing.
- Bathrooms will be cleaned 3-4 times a day instead of 1-2 times by a professional cleaner.
- We will spray down sinks, door and toilet handles with disinfectant.
- The office and crows nest will be wiped down 3-4 times a day with disinfectant wipes.
- We are going to add hand sanitizing stations: in the office and crows nest, on each end of the arena, by the bucking chutes, bathrooms and concession stand.
- We will encourage all volunteers, workers and contractors to wear gloves. They will be provided in the office.
- The office and crows nest area will be limited to office personal only with a sign posted on the outside of the door.
- We will be limiting volunteers to only necessary volunteers. Those volunteers will be doing the same job all day to avoid cross contamination. Examples: gate people, barrel and pole setters.
- Vendors will be limited. Normally we have 3-4 vendors, but we will decrease it to 1-2 with social distancing rules in place.
- To limit spectators we will decline from putting any advertising in the local paper.
- Social distancing will be enforced during check in. We will have a sign stating “only 2 contestants at a time”. Pens will be sanitized and there will be a table outside the window to promote social distancing so they cannot lean into the window. We will ask simple health questions like “Are you running a fever?” “Have you been sick?” and “Have you traveled out of state?” at check in.
- We are going to rope off our bleachers to encouraged social distancing. We will also have signs placed around the area (ex: bucking chutes and roping chutes) and concession stand stating “we require 6ft for social distancing”.
- We will limit 1 helper per contestant behind the bucking chutes.
- We will sanitize the flags before each contestant for the flag race.
- We were going to have a dance Saturday night, but we have decided to cancel that.
- We are going to attach the approved waiver to our entry form so that all attendees know what is expected and encouraged. They will need to sign the waiver and send it in with their entry form.
- In the past we have worked with the Lions Club to promote a gun raffle and 50/50 raffle to help limit the number of people present.
- We have visited with the Mayor, Kerri Kline, and county commissioners and they have approved the event to take place per CDC recommendations.

Parents and contestants please sign here stating you have read and understand the guidelines of the COVID waiver.
