**Cost per Run/Out**

Goats should be of uniform size. Any goats which do not fit will be pulled from the draw. The committee feels this process will ensure an even set of livestock for each and every contestant.

Goat Tying Goats \_\_\_\_\_

A goat cannot be tied/run more than 3 times per performance.

Stock requirements to be based on entries; 30% timed event stock. Must provide water tanks, feed, and panels for pens. Contact person with goats at all time and responsible for set up and tear down of panels. Stock identification/numbers must be turned into the rodeo office 5 hours before the first rodeo performance.  
The goat contractor must supply a goat holder for every performance.
