

PROPOSED RULE CHANGE FINALS

Running the SD State 4-H Finals Rodeo over two (2) weekends. The Seniors would go the first weekend and Juniors the second weekend.

This would:

1. alleviate most of the congestion
2. get the high school kids off of their Athletic events so we could eliminate the trade out rule
3. help the timed event cattle contractors
4. could run in two arenas

PROPOSED RULE CHANGE FINALS

The SD 4-H regional rodeo season would be shortened by two (2) weeks. After the cut off there would be four (4) semi-qualifying rodeos. The top ten (10) out of each semi-qualifying rodeo would be the state qualifiers.
