

Finals Rodeo Team Roping Correction Form

Team Ropers will be entered for the Finals with the **first** partner they qualify with at a regional rodeo.

If you qualified for the Finals Rodeo with multiple partners and wish to compete at the Finals with someone **OTHER** than the first person you qualified with, this form needs to be submitted to the 4H Finals Secretary. **EACH PARTNER requesting a change MUST submit a separate** form to the Finals Rodeo Secretary, via one of the below options.

It is the responsibility of **ALL team ropers involved** to communicate between themselves to verify everyone has submitted their own Team Roping Correction Form. If **ALL FORMS** are not received by the due date, **NONE** of the team roping correction forms will be processed and the original teams will remain in effect.

If a team roping partner wishes to no longer compete in the Team Roping event at Finals, this form should indicate "DROP EVENT" as response to the last question in the table below.

If a Team Roping Contestant cannot find a partner and wishes to be paired with another team roper in the same circumstance, then "PLACE IN HAT DRAW" as response to the last question in the table below.

1. No Team Roping Correction Forms will be accepted via phone call.
